Dear Mrs. Parlow
Many thanks for your
letter. Our mutual
friend in R. K. S. Lane
(yes - how we do miss
dear Anna!) had al-
ready prepared us for
your coming this
winter and we are
greatly looking forward
to seeing you both, and
hearing your daughters
on Wednesday next

when both my wife and
our daughter program
will be delighted to
accompany me to the
Academy Hall.

With kindest regards
believe me

Very sincerely
Yours

George Henschel
